## **EDV300 – 2F**

### Parts List:

- EDV300 with power adapter (Qty 2)
- IR remote (Qty 1)

# Remote Overview

Turn Displays On / Off

Enter Setup Mode for one of the displays

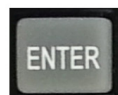

Enter Setup Mode for the other display

Set to Count Up

Set to Count Down

Save input. Proceed to next step in Setup Mode

## Display Configuration:

1. Enter the setup mode for the display. Since there are two independent displays, one display will enter setup mode when you press the **EDIT** button on the remote; while the other display enters setup mode when you press the **DEL** button on the remote.
2. Input the number of days to begin counting down or counting up from and press **ENTER** on the remote.

**XXXX**

**XXXX = Number of Days**

3. Input the current hours in the day in 24 hour format and press **ENTER** on the remote.

**1-XX**

**XX = Hours**

4. Input the current minutes in the day and press **ENTER** on the remote.

**2-XX**

**XX = Minutes**

5. Input the current Seconds in the day and press **ENTER** on the remote.

**3-XX**

**XX = Seconds**

6. Select whether to count up or count down. On the remote, press the Up arrow to count up or the down arrow to count down.
- An LED on the bottom right of the display will be blinking on and off when the display is counting up or down.
