ED100-2005-N1

4" High Alphanumeric Text. 20 Visible Characters Per Line. Displaying information to employees is key to communicating ideas and goals and making decisions. Our industrial line of scrolling message signs is an excellent way to keep workers in touch with the ever-changing industrial environment. Message marquees can interface with PLC's, PC's and Embedded Controllers. We can provide the ASCII commands that will allow you to add data strings to virtually any software code.
